

## **Hand Therapist, Occupational Therapist**

South Shore Orthopedics LLC is looking to hire several Occupational Therapists who are interested in hand therapy and custom splinting to join our team! You will provide direct patient care and support rehabilitation activities. While this listing is posted as a full time position, we are also looking for part time and per diem candidates. Current office hours are Monday - Friday 8am to 5pm in our Hingham, MA location.

### **Responsibilities:**

- Facilitating rehabilitation of patients with emotional, physical or mental disabilities
- Monitoring and assess patient rehabilitative programs
- Conveying treatment results and patient progress to relevant parties
- Organizing and update patient records
- Maintaining a clean and healthy environment
- Fabricating custom hand splints
- Working directly with South Shore Orthopedic hand surgeons and providers

### **Qualifications:**

- Previous experience in occupational therapy or other related fields
- Ability to build rapport with patients
- Passion to help and motivate others
- Excellent written and verbal communication skills

### **About South Shore Orthopedics:**

[www.southshoreorthopedics.com](http://www.southshoreorthopedics.com)

South Shore Orthopedics is a group practice with a dynamic and progressive culture. The highest quality orthopedic care is delivered with a modern and efficient approach. Each and every member of our organization exhibits honesty, integrity and respectful behavior. Our team will continue to grow and advance to meet the musculoskeletal needs of our community.

Our mission is to provide the highest quality orthopedic care in an accessible, safe, respectful and efficient manner.

As a group orthopedic practice, it is critical that our organization functions as a team and we collectively strive to create a work environment that is cooperative and collegial. Effective communication is vital. Each and every member of our team understands the competitive nature of our industry and, therefore, strives for excellence, both as an individual and on behalf of South Shore Orthopedics.

Professional development at all levels is supported and encouraged to deliver the safest and highest clinical care.

Our patients, our referring physicians and their offices are our customers. Their referrals are vital to our success. They will always be treated with respect and compassion.

Success and vitality are assured through a fiscally conservative management, anticipation of opportunities and flexibility to change.

Hard work will be rewarded, humor and fun appreciated and mutual respect demanded.
